Experience

Breathe Outdoors Calgary, Sales Associate

June 2020 – March 2024

- Learned about the outdoor industry, and how to provide solutions to customers' problems.
- Learned valuable interpersonal skills, how to sell and communicate ideas, and to receive and implement feedback on performance.
- Kept an up-to-date knowledge of current products, technologies, and applications.
- Stocked and managed inventory, organizing large shelves of product safely and efficiently.

Calgary Climbing Centre Chinook, Routesetter

April 2024 – Aug 2024

- Learned the basics of setting routes and boulders.
- Worked in a team setting and learned to iterate on others' ideas.
- Begun to consider aesthetics of boulders while maintaining quality.

Climbing Experience

- Began climbing in Winter 2022 and quickly developed an obsession with the sport.
- Focused on climbing more and improving technical skills rather than compensating with strength.
- Climbed C8 and flashed C7 at CCC Chinook, and sent V9 on the Kilter Board.
- Climbed Cowboy Crypt V8 at Highwood boulders.

Education

BS University of Calgary, Pure and Applied Mathematics

Sept 2022 – Current

- GPA: 3.5/4.0
- Takeaways: Learned abstract thinking skills, and to break difficult logical problems into smaller parts.
